Acceptance of previous minutes: Motion to accept September's minutes proposed by Brendan Cusack. Seconded by Michelle Engelhard.

Business arising from previous minutes:

School Landscaping/Play Space

- Michelle has received correspondence from Annabelle Compan from a company that deals with play equipment. She is happy to come out and assess the school and suggest where the play equipment should go. This service is free but it would probably need some sort of commitment to purchase equipment.
- Michelle suggested we start surveying the students as to what they would like. This would commence as a trial on the Student Representative Council.
- We need to put feelers out for our new sign and landscaping.

Treasurer's Report: Motion to approve the treasurers report proposed by Jon Zhang-Kilgariff. Seconded by Alan Magner.

Sub Committee Reports:

Canteen

- Taking around \$100 per day. A special mention to the Year 6 helpers who have been excellent.

Uniform Shop

- Allison is attending the Kindy Information Night on the 25th October to talk about uniform and the kindy starter packs.
- Allison will be ordering a Paypal card reader to use at the 4th week of orientation to make purchasing uniform easier.

- DJ Stella booked for the Christmas disco.
- A request was put forward to have some older students come to the K-2 disco to help with the younger kids.
